

WHY US

- Leader for almost 20 years in providing schools all over Canada the software to manage their international students, homestays and agents.
- Customer support and product development provided by a team of over 20 people.
- Our company shareholders are Bruce Croxon, a well renowned Canadian entrepreneur, television personality and Remus Lechintan, CEO of ISP Educational Solutions and RoundAssist, who has an experience of over 20 years in the Services and IT industry.
- Paul Robinson, founder of ISP Database and Ambassador of ISP Educational Solutions shares with us the experience he has gathered while working closely with schools all over Canada.
