SOLUTIONS INC.

**STUDENT MANAGEMENT
MADE EASY!**

The ISP Cloud™ - School-Student-Agent- Homestay-Teacher Collaboration

A custom application designed for school languages and ESL schools to easy manage and administer its students, teachers and classes/courses details.

- Increases staff productivity
- Delivers user-specific portals: Employee Portal, Online Student & Homestay Application Forms, Class Management, Teacher Portal, Agent Portal, etc.
- Provides the tools to manage the school's students', host families, agents, classes, and teachers details.
- Generates and processes acceptance letters and documents
- Creates custom queries, reports, and emails

The ISP Cloud™ - Software as a Service

The fourth generation in the ISP family, the ISP Cloud™ is a web application version of the ISP Database™. A one-stop portal, it connects all providers, from any device, anywhere in the world.

- Integrations with third-party service providers such as Banner, Moneris, North Star, PayPal, Blackboard Learn, Guard.Me, etc.
- Customized portals for all users
- Generates Letters of acceptance using any device from anywhere in the world
- 24/7 secure access to the database

ABOUT US

- We are the leader in the market for over 20 years in providing schools all over Canada the software to manage their international students, homestays, classes, teachers and agents.
- Our company's shareholders are Bruce Croxon, a well renowned Canadian entrepreneur and television personality, and Remus Lechintan, CEO of both ISP Educational Solutions and RoundAssist, part of Round 13 Capital, who has an experience of over 20 years in the Services and the IT industry.
- We offer customer support and product development provided by a team of over 20 people.
